MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Equipment Waiver for the Civil Disturbance Lesson Plan LH 626 (Use a Riot Baton) and LH 628 (Position Yourself in a Riot Control Position) for FY 02

1. Reference TRADOC Reg 350-18, Chapter 2, paragraph 2-4a (8).
2. This memorandum is in response to request(s) received from several MP TASS battalions, requesting a waiver for the equipment requirement listed in Lesson Plans LH 626 and LH 628. Inactive Duty Training (IDT) sites are unable to obtain the full equipment requirements for each student during the IDT Phase I training year. Training sites are in remote locations and do not have the support of military installations and local TASC. Every effort will be made to acquire the equipment through customer units, ATRRS, welcome letters, and local law enforcement agencies, etc. The items requiring waivers include:
  - a. Vest, small arms, protective, body (Identified on errata body armor, flak vest)
  - b. Face shield (for Kevlar helmet)
  - c. One protective mask
  - d. Shin Guard
  - e. Megaphone
3. Using available equipment each student will rotate and be evaluated individually using, at a minimum, a Riot Baton (LH 626) and M16/mock version (LH 628). The reduction in equipment will not degrade or detract from the overall training objective.
